

# Language Speech-Language AMI Assignments

Please complete the following activity or activities for the days listed below. If you have questions, please contact the Speech-Language Therapist: Mrs. Emily Ward  
[eward@pcssd.k12.mo.us](mailto:eward@pcssd.k12.mo.us)

## Day One:

**K, 1, 2** – Name 5 things you use at school and tell what you do with each item.

**3, 4, 5** – Read the words below, ask your child to tell you what might live in each place, and have them describe the animals (what they look like, what they eat, are they fast or slow, etc.).

Zoo, Tree, Farm, Ocean, and Forest.

## Day Two:

**K, 1, 2** – Read a book with your child and have them point at different pictures on the pages. Have your child describe them and name what they are.

**3, 4, 5** – Read a book with your child that is on their reading level. Ask them questions (who, what, when, where, why) about the story to help their comprehension level.

## Day Three:

**K, 1, 2** – Find different objects around the house and have your child sort them by categories. First have your child sort them by color and then have them sort them by size.

**3, 4, 5** - Find different objects around the house and have your child sort them by categories. Have them categorize by function (what they are used for), attributes (what they look like, shape, size, color, etc.) and a basic category (food, pets, clothes, etc).
